

## Legacy and Inheritance Giving

Have you ever considered leaving something for Cornerstone in your will?

Cornerstone is a not-for-profit organisation, registered as a charity with the charity commission. Our mission is to serve the local community, keeping our prices as low as possible to ensure everyone can benefit from the food, cards, books, and gifts we provide.

As a not-for-profit organisation we are reliant on donations to help keep Cornerstone open and available for everyone.

One way to support Cornerstone is to remember us in your will. It is important to write a will to ensure that when the time comes your money goes where you wish. We always recommend taking legal advice to write your will, and a good firm of solicitors will be able to advise you. If you remember a charity like Cornerstone in your will, it may reduce the amount of inheritance tax that is paid, or it may even mean no inheritance tax needs to be paid at all.

It is also possible to make a gift to Cornerstone when you are the beneficiary of an inheritance. This again may affect the amount of inheritance tax to be paid. Again, we cannot give legal advice, so your solicitor is the best person to contact.

In either case, the details below provide all the information you need to set up legacy gift to Cornerstone.
