February 2026

### Valentines Day

We have a selection of cards to send to your Valentine this February and also a wide selection of resources to strengthen your relationship. Why not come in for a romantic lunch for two?

### Catering

If you are catering for an event, business lunch, away day or funeral, our buffet selection comes highly recommended. We provided homemade cakes & quiches, fresh filled sandwiches, all your favourite fillings, and we cater to gluten free or dairy free diets. Its great value and we can often deliver. Email us to discuss. [office@cornerstonegrove.org.uk](mailto:office@cornerstonegrove.org.uk)

### National Year of Reading

This year, you will see various events and endeavours nationwide, to promote reading. There has been a shocking decline, across the age groups, in reading for pleasure. The national literacy trust has teamed up with the Government, publishers, newspapers and bookshops to promote reading. We will have a number of Author events this year, including one next month - see below. If you would like to be involved, do get in touch. You could suggest an event, start a book group or sponsor a gift of books to a local school?

# Women of Grace and Guts

Local author Julia Jones has written this great new book on Winifred Booth, Ruth Morling and Olive Elliott, three Edwardian ladies who took the gospel to India. We are delighted to have Julia come and tell us more on Saturday 7th March at 3.30pm. Do email us to book your space.

## Make & Bake for the Under 5s

9.30am on a Tuesday in term time, all under 5s welcome. We are looking for a new leader for this very well attended outreach from the Summer. There is a well established format and lots of pre planned sessions ready to lead with little preparation. Please pray for the right person to come forward.
